**American Daffodil Society Coloring Page**

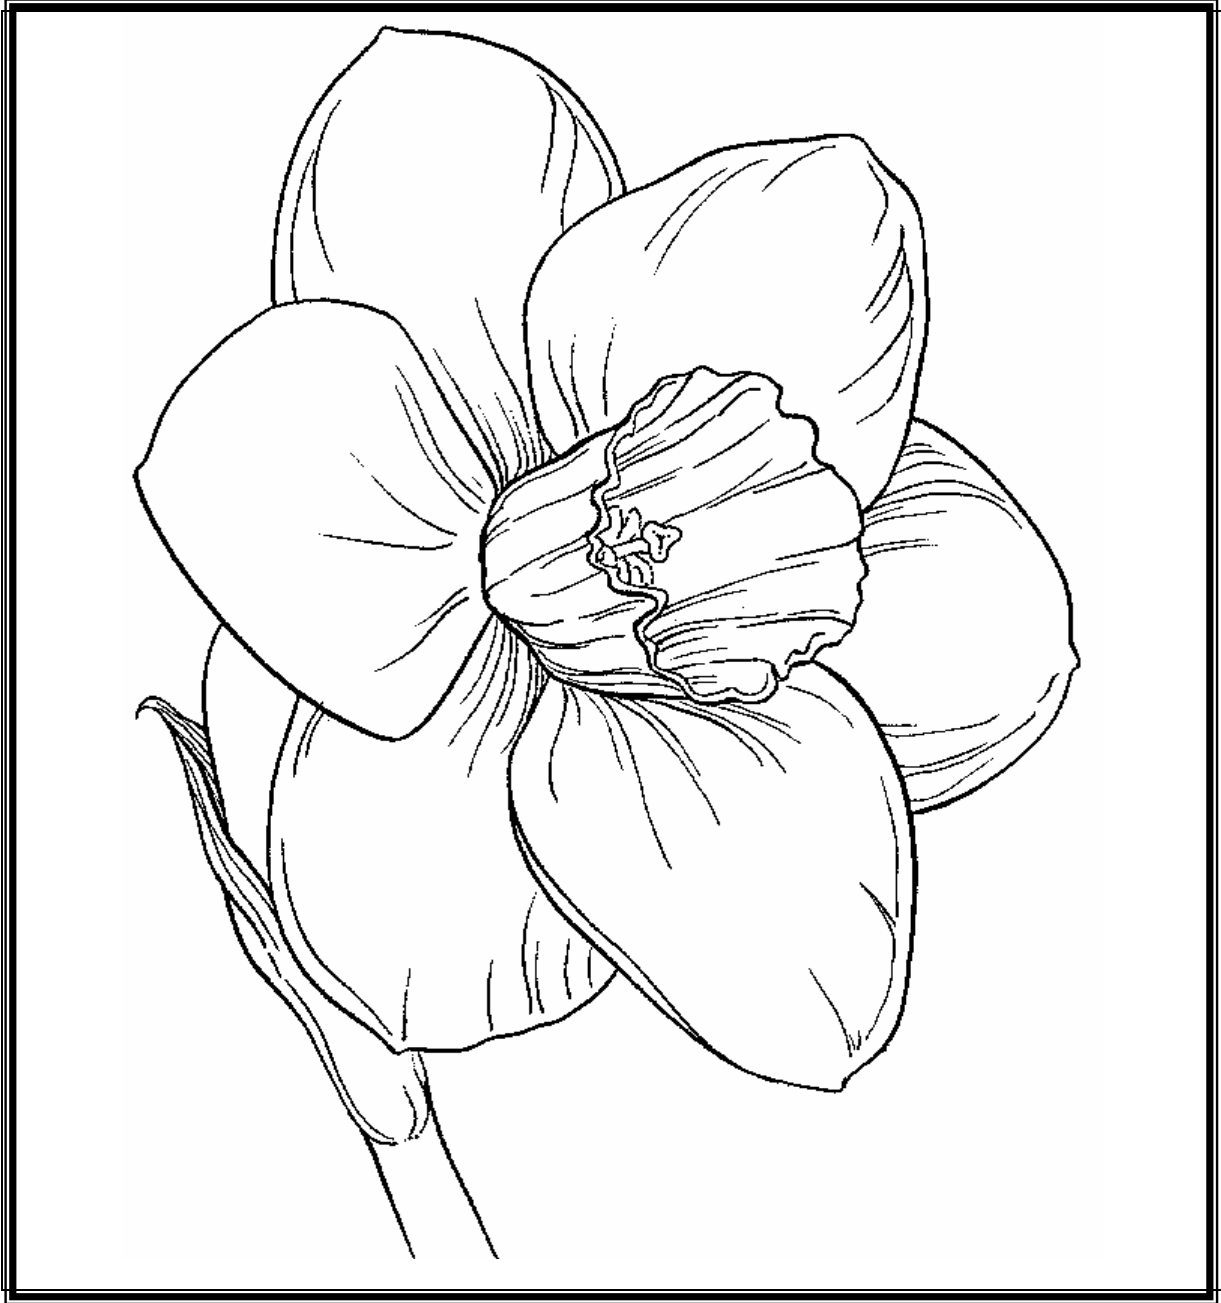

# Division 1: Trumpet Daffodils

© Southwest Ohio Daffodil Society

The cup measures as long as or longer than the petals.  
Each stem carries one flower.

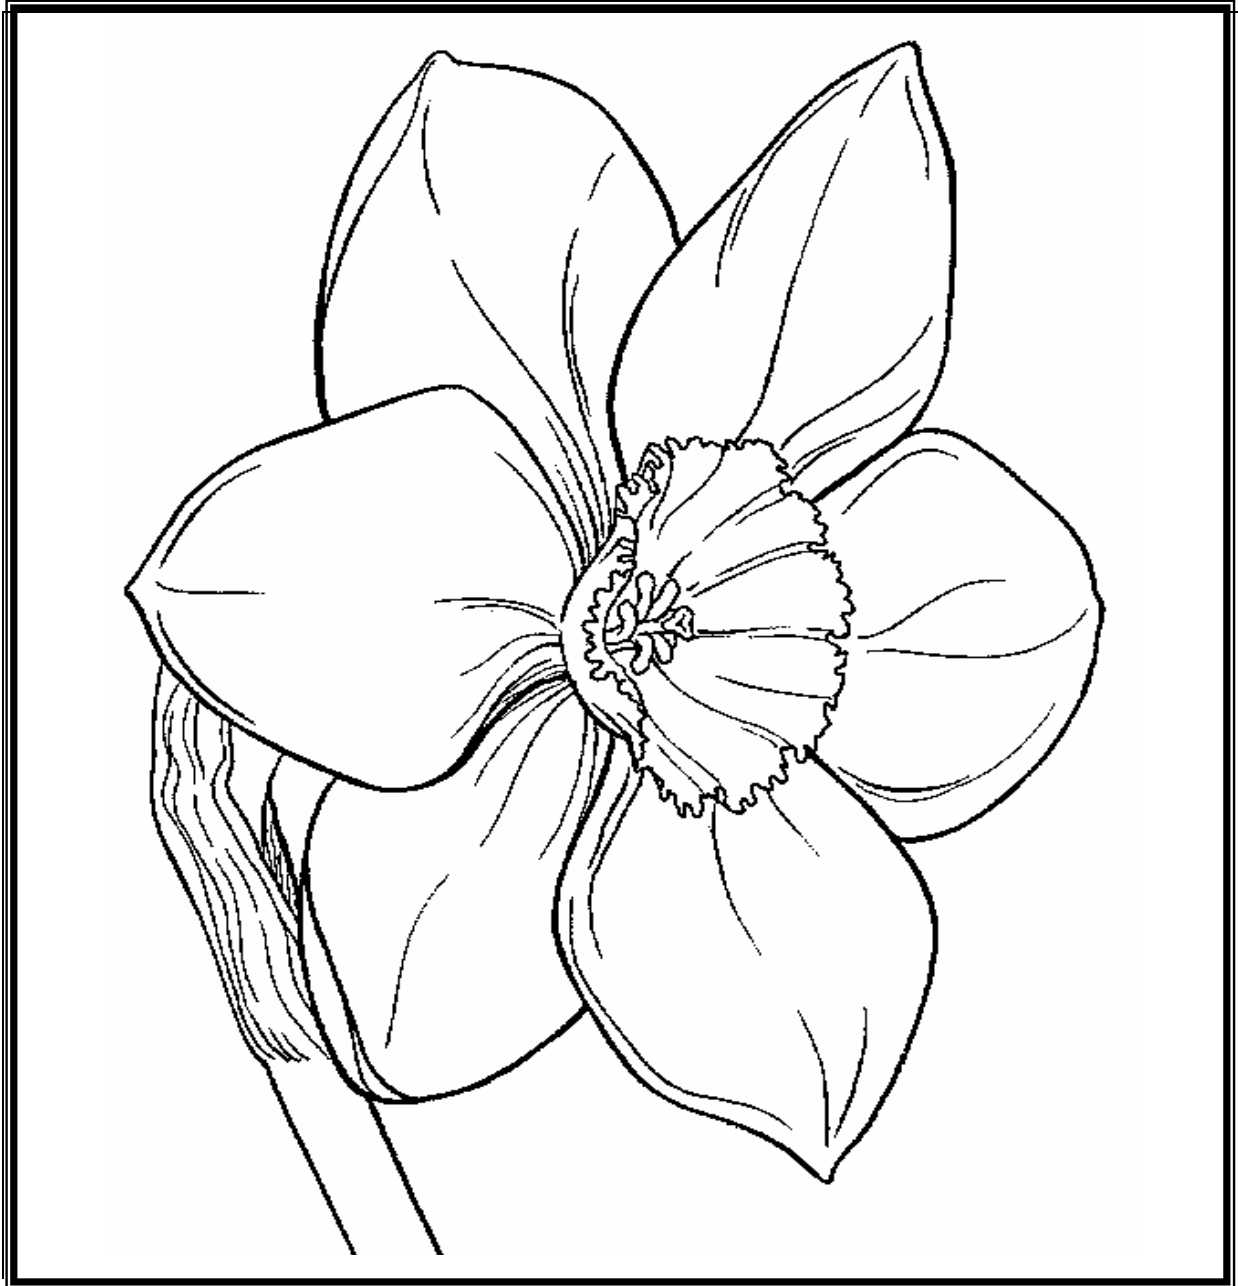

# Division 2: Large-cupped Daffodils

© Southwest Ohio Daffodil Society

The cup length measures more than one-third of, but less than equal to, the length of the petals. Each stem carries one flower.

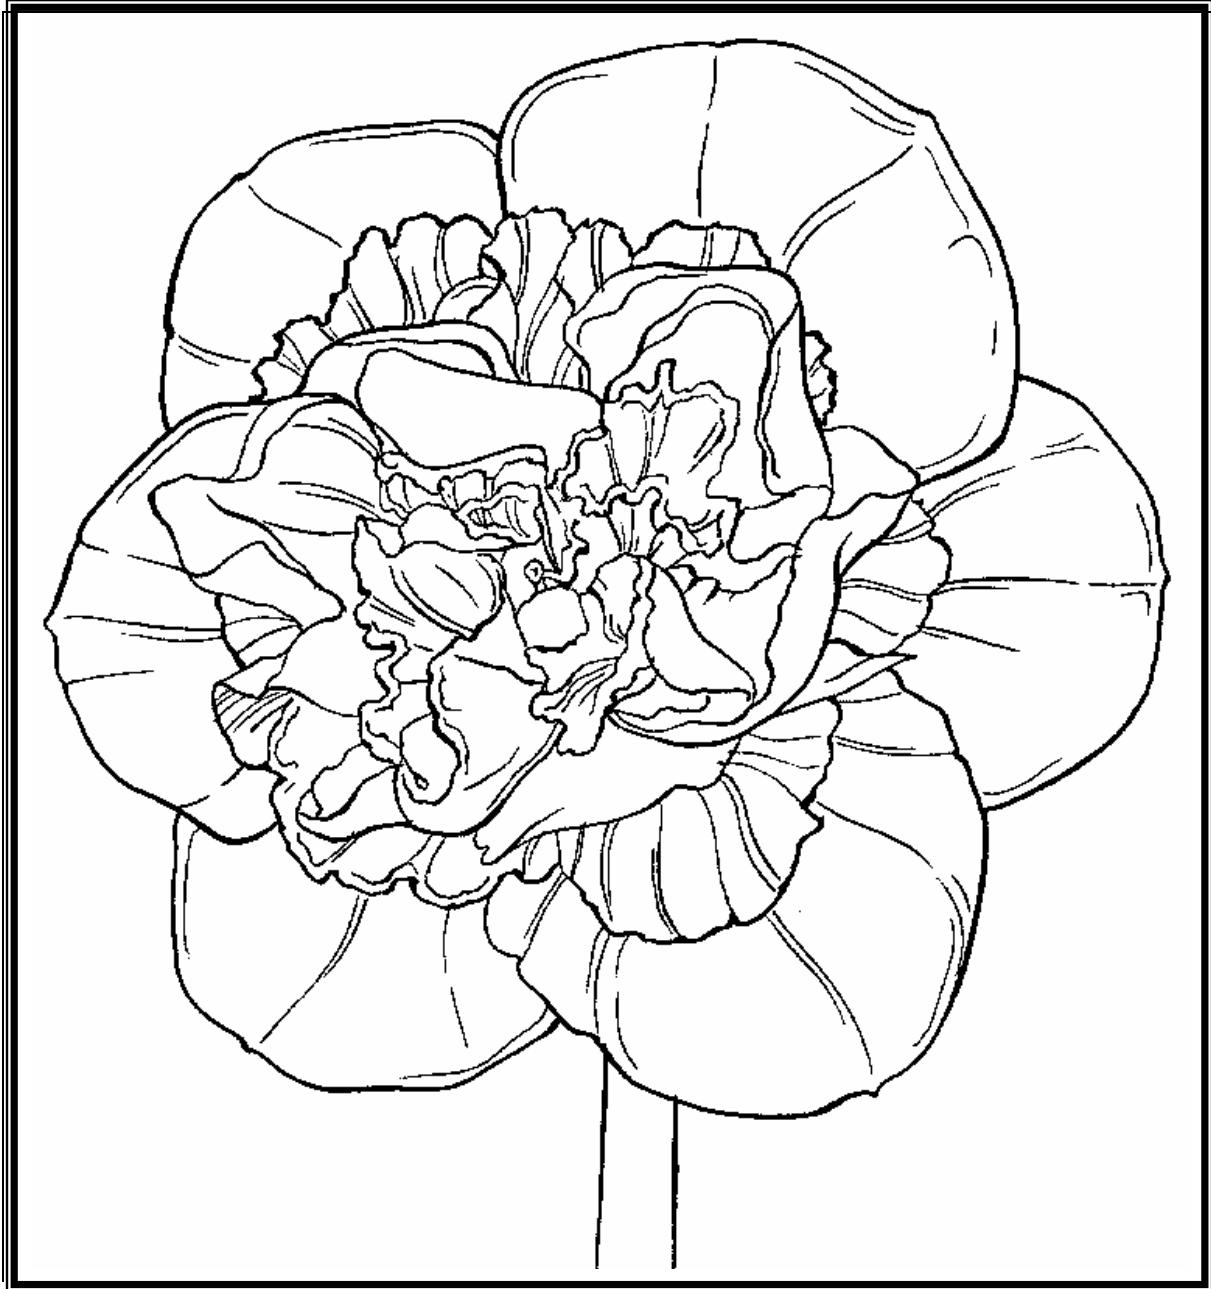

# Division 3: Small-cupped Daffodils

© Southwest Ohio Daffodil Society

The cup length measures not more than one third of the length of the petals. Each stem carries one flower.

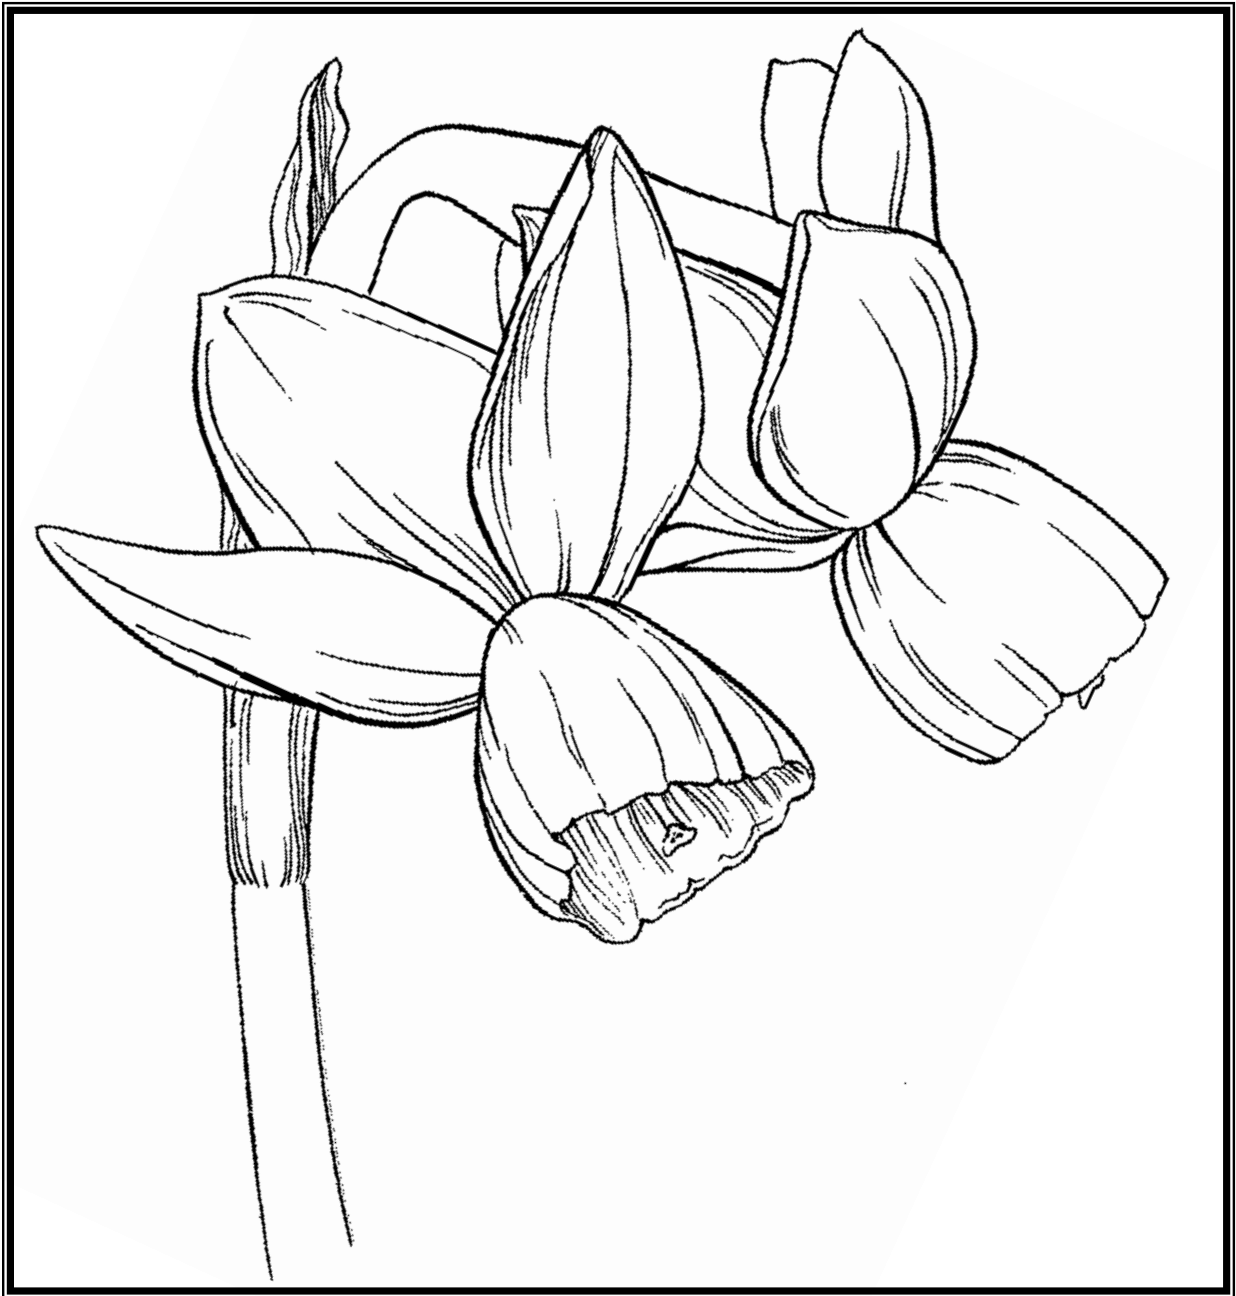

# Division 4: Double Daffodils

© Southwest Ohio Daffodil Society

A double daffodil has doubling of the petals or the cup or both;  
there are one or more flowers per stem.

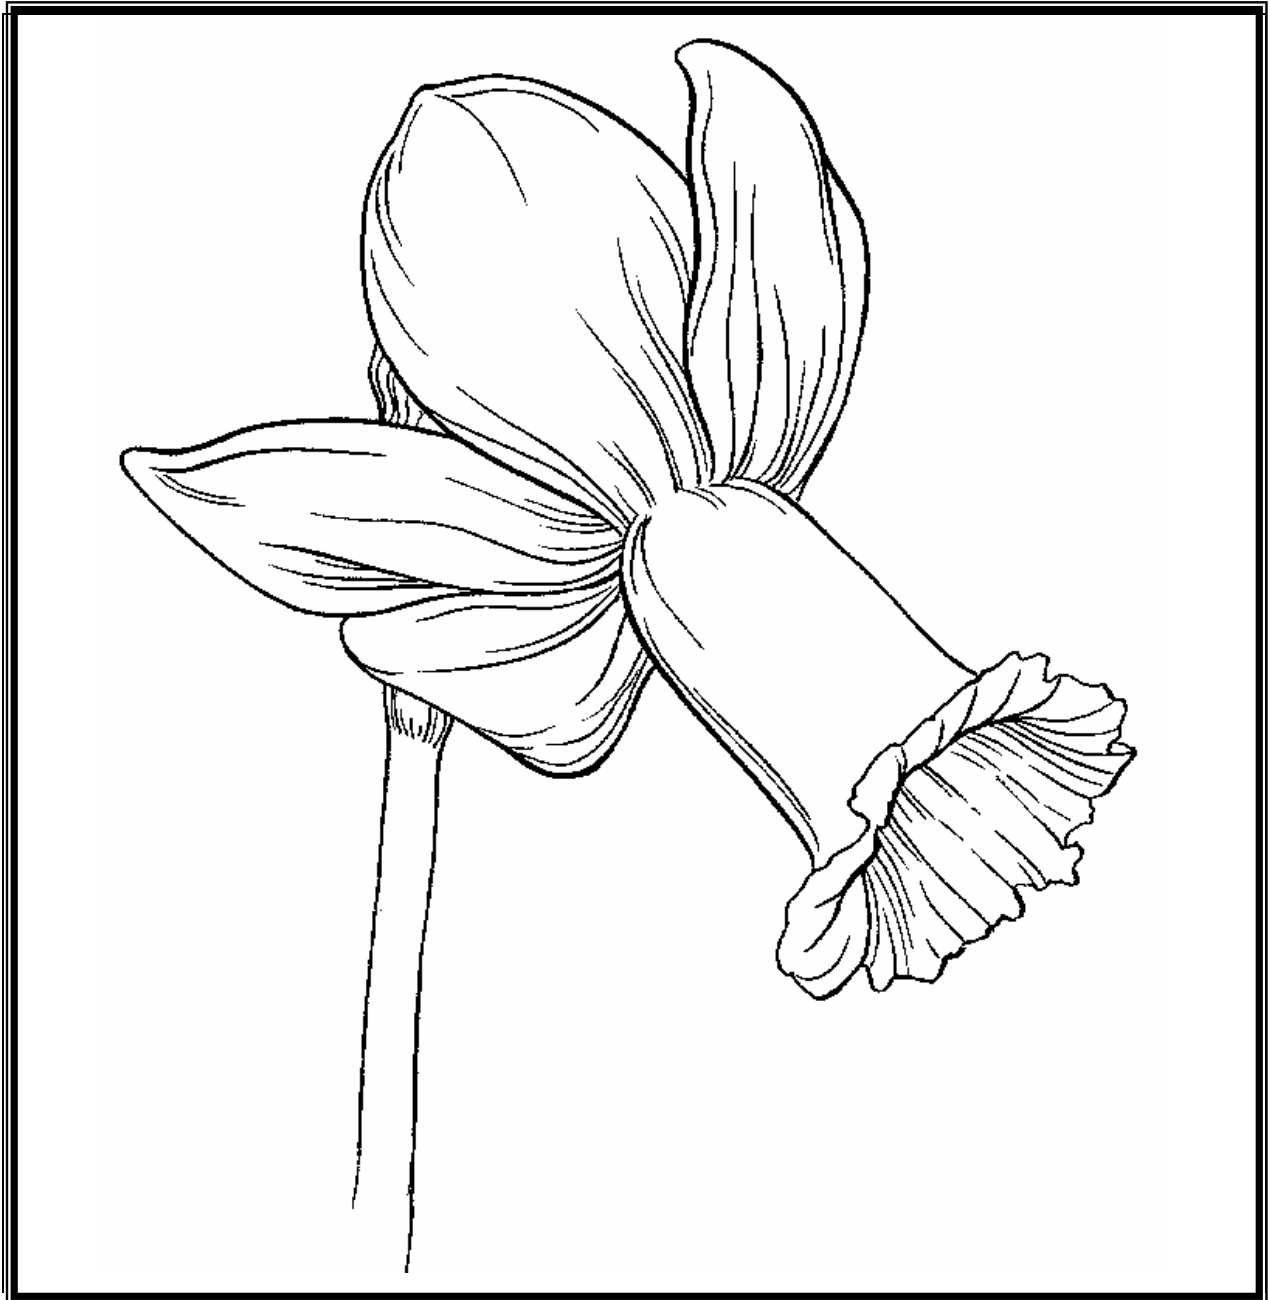

# Division 5: Triandrus Daffodils

© Southwest Ohio Daffodil Society

The blooms hang down like bells.  
There may be one or more flowers per stem.

# Division 6: Cyclamineus Daffodils

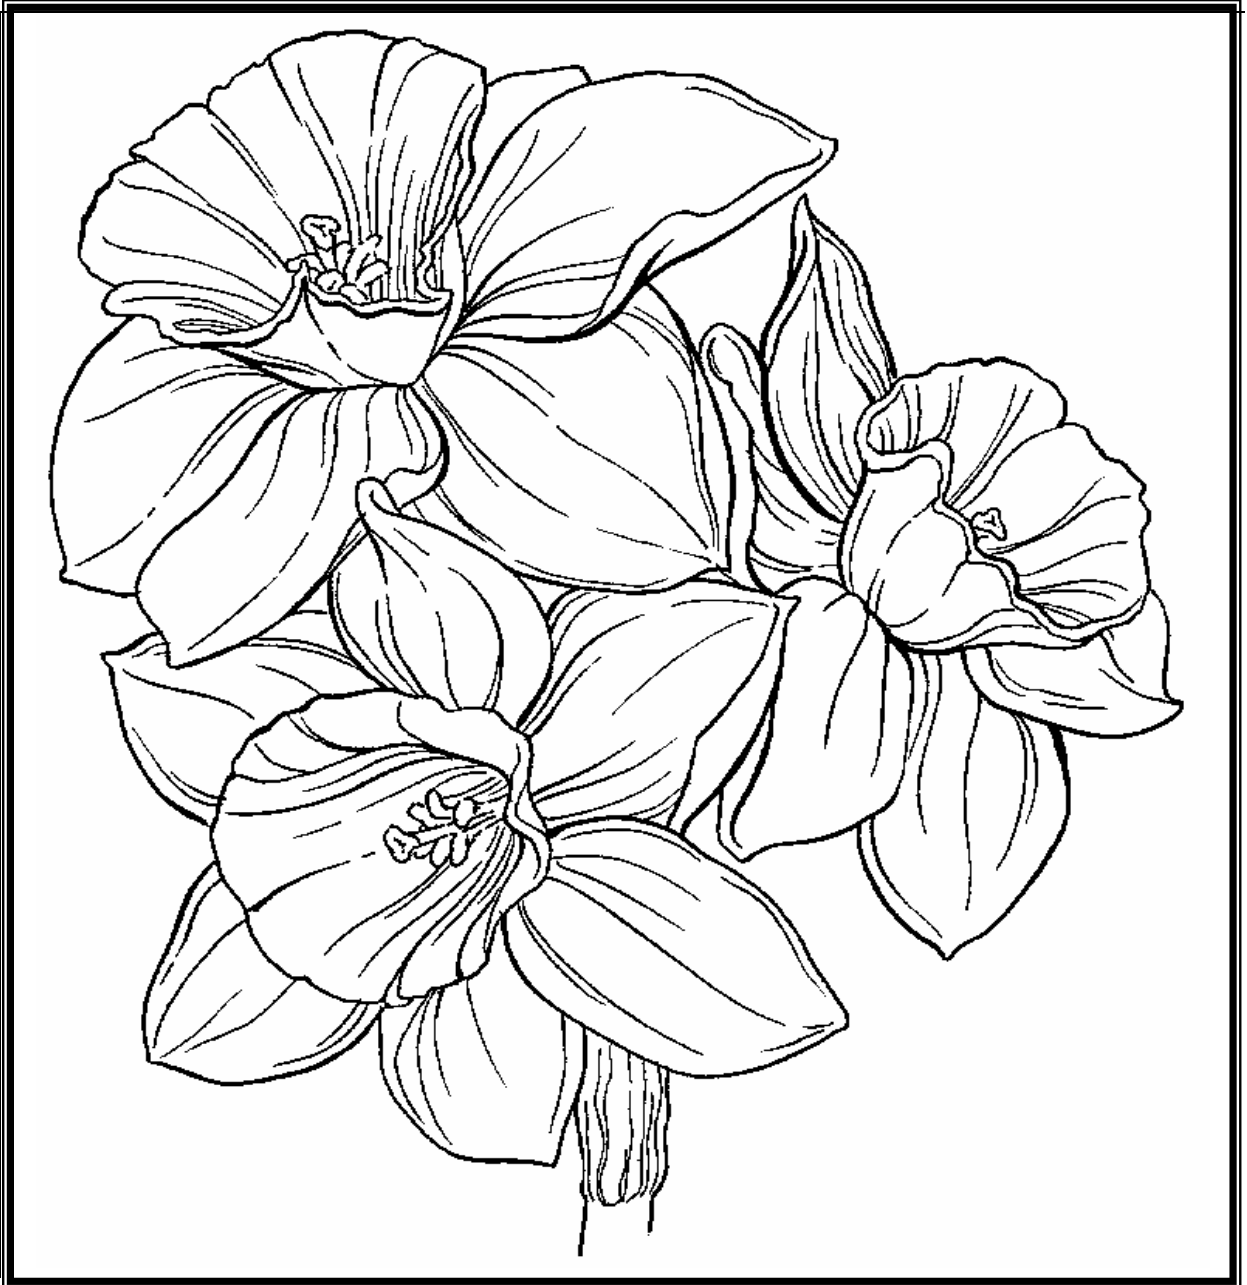

© Southwest Ohio Daffodil Society

The petals appear wind-swept. Each stem carries one flower.

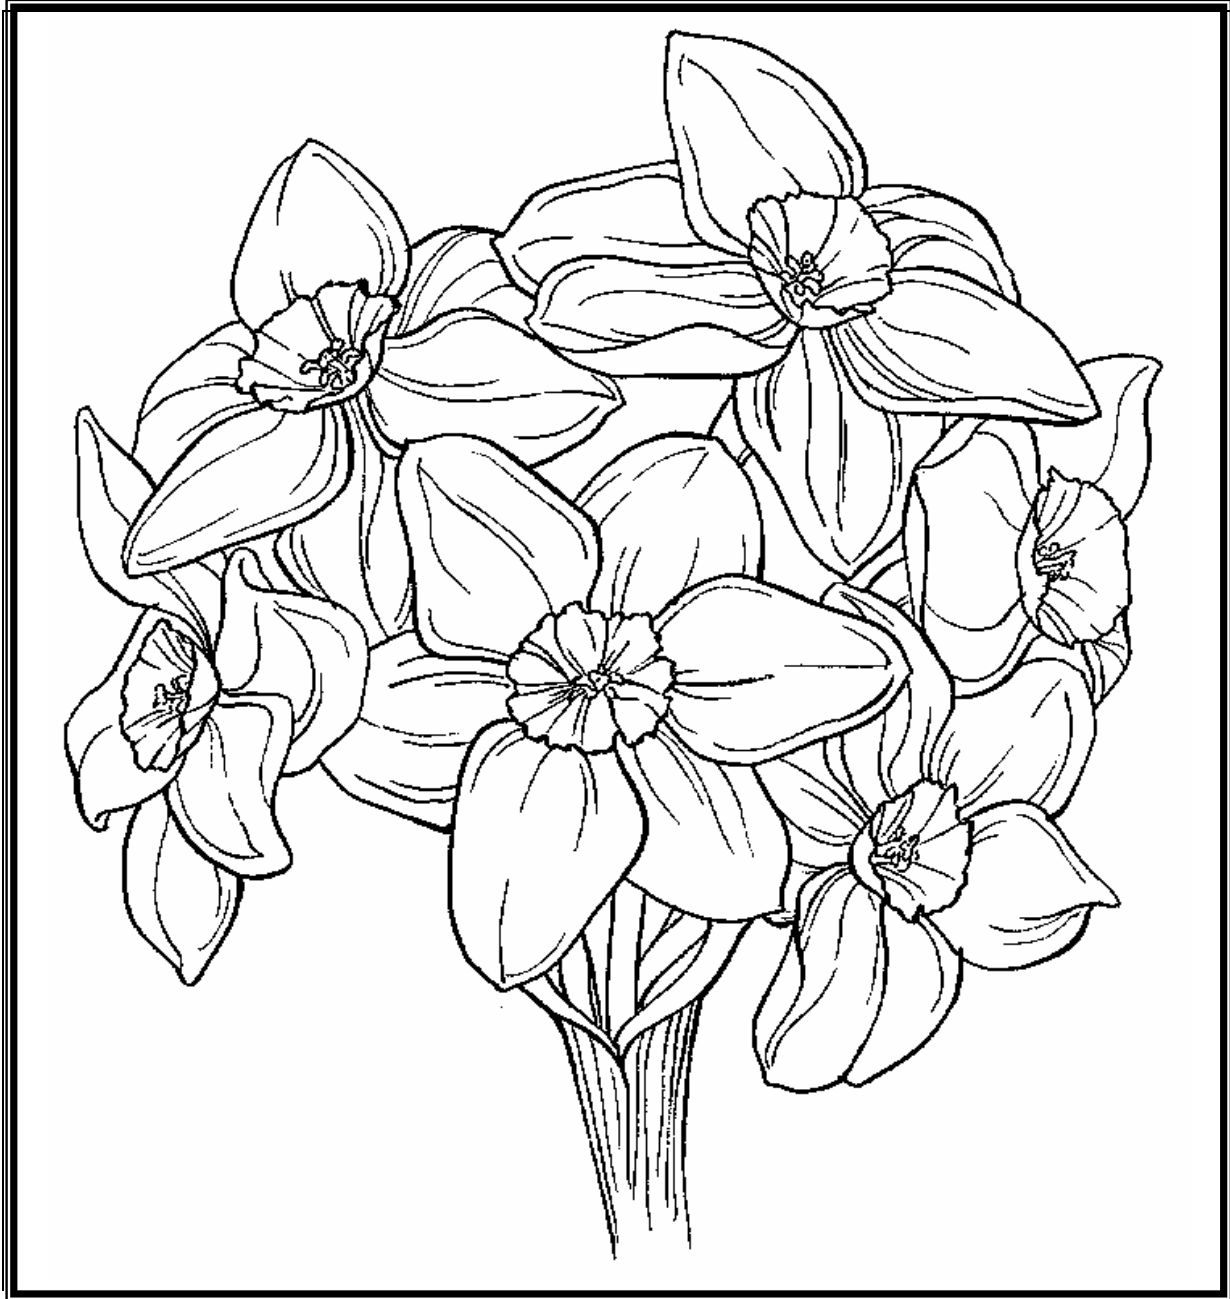

# Division 7: Jonquilla Daffodils

© Southwest Ohio Daffodil Society

From narrow, reed-like foliage one or more  
fragrant flowers bloom on each stem.

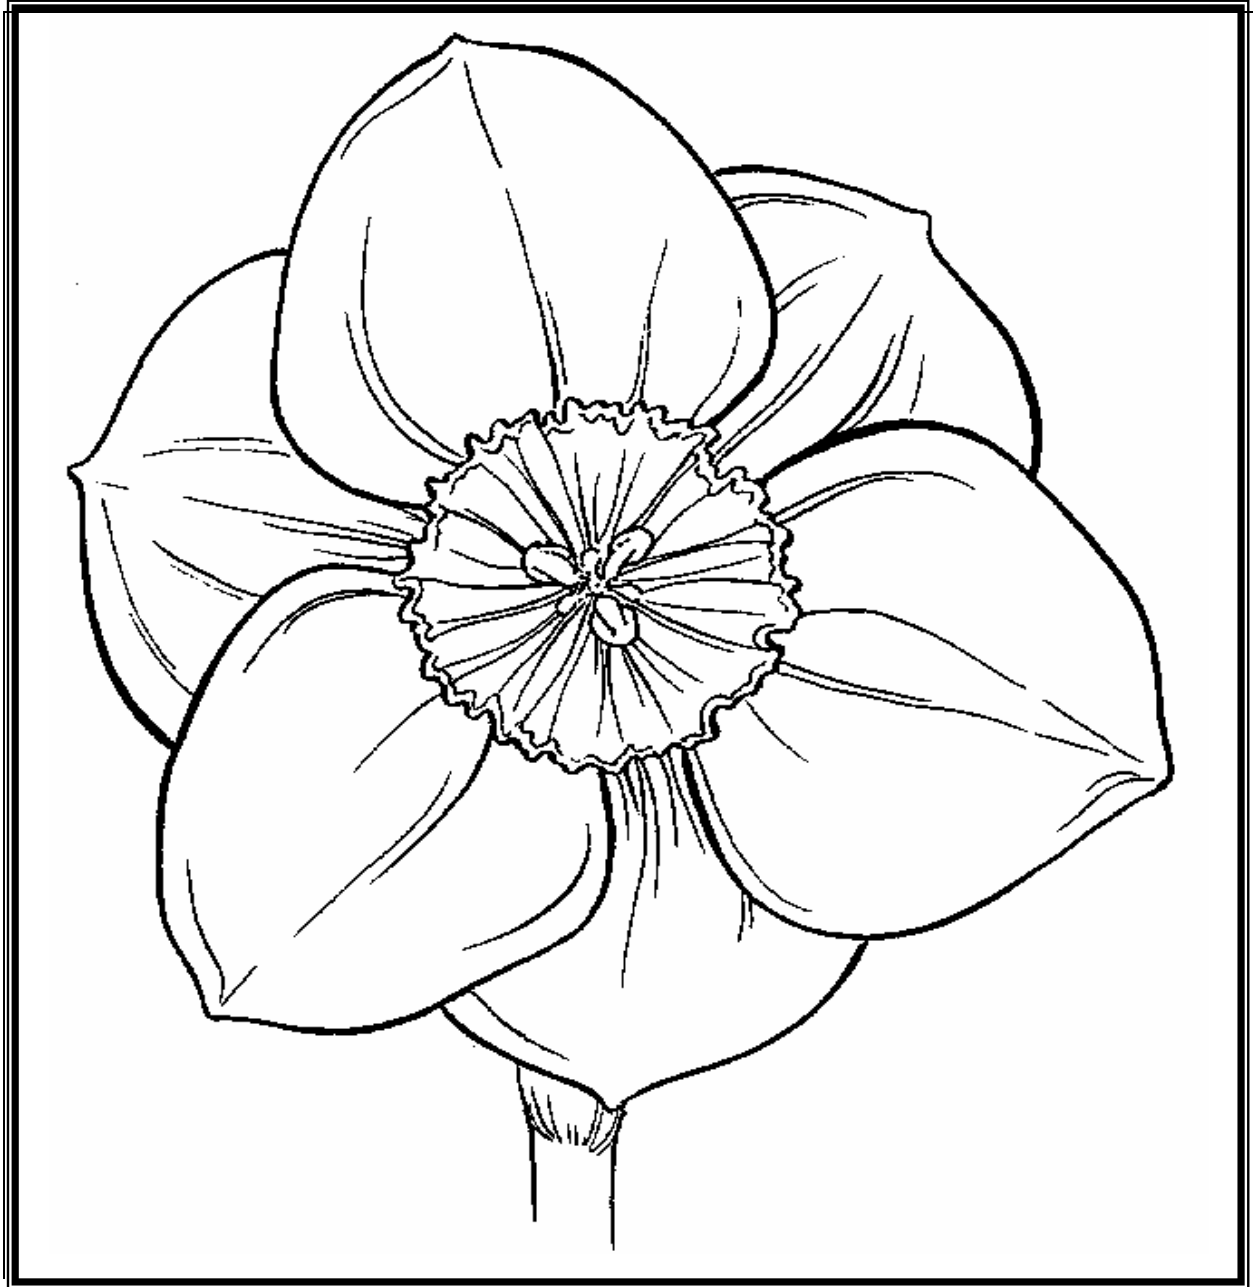

# Division 8: Tazetta Daffodils

© Southwest Ohio Daffodil Society

Three or more fragrant flowers bloom on each stem.  
The foliage and stem are very broad.

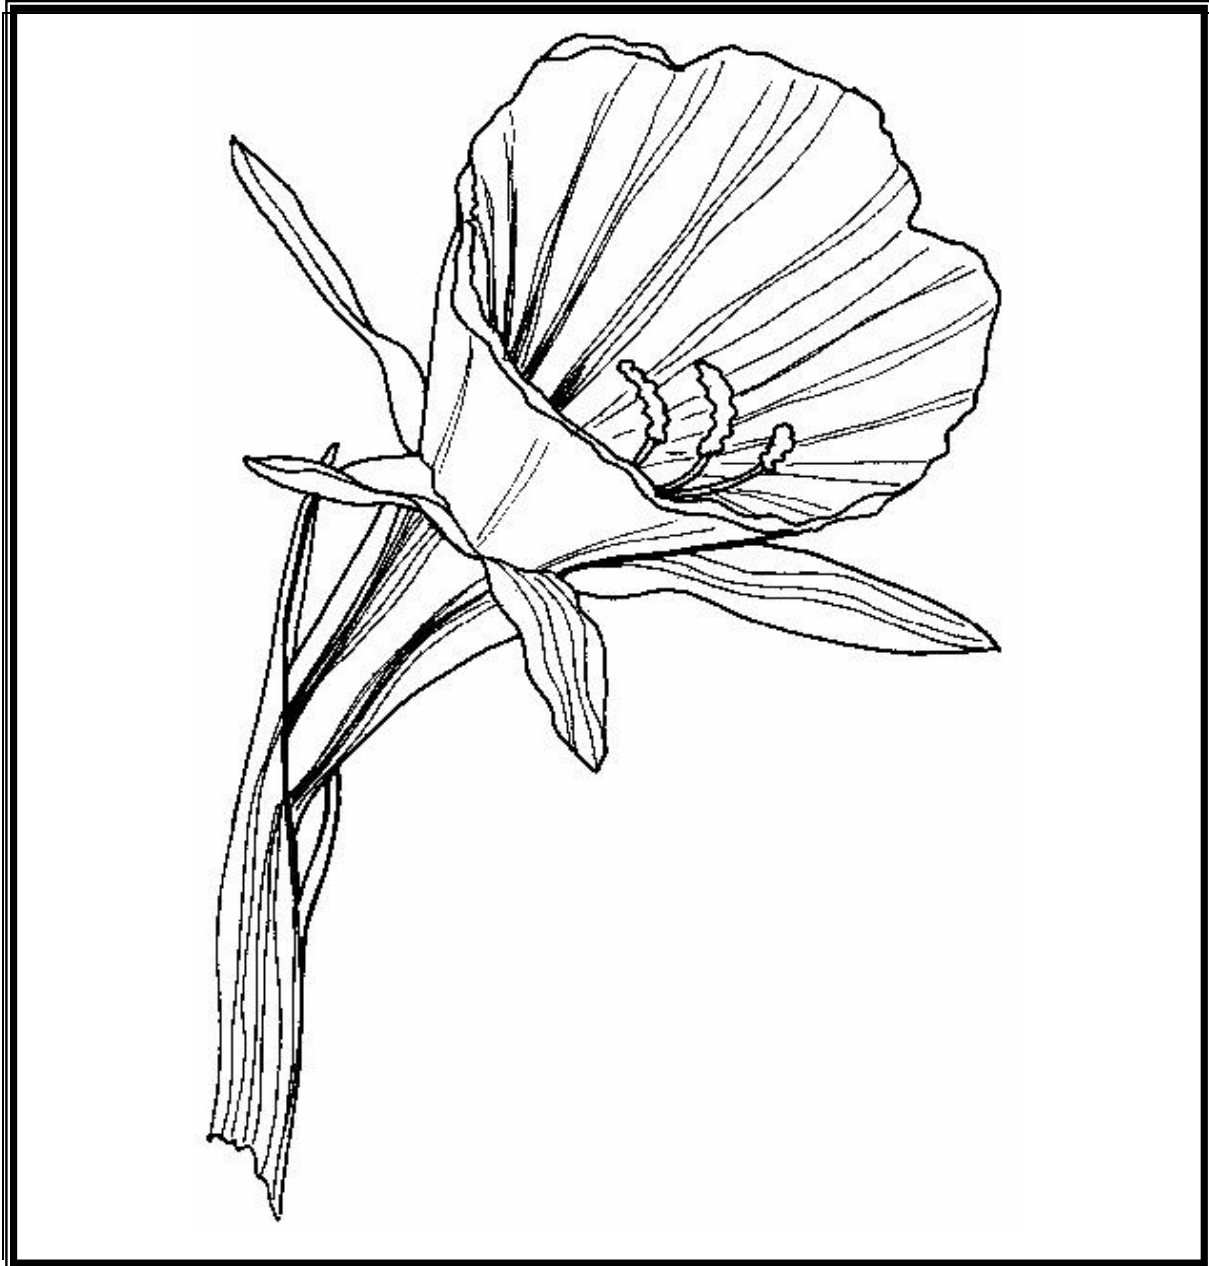

# Division 9: Poeticus Daffodils

© Southwest Ohio Daffodil Society

Extremely white petals surround the cup – a small, crinkled disc, commonly yellow with a green and/or yellow center and a red rim.

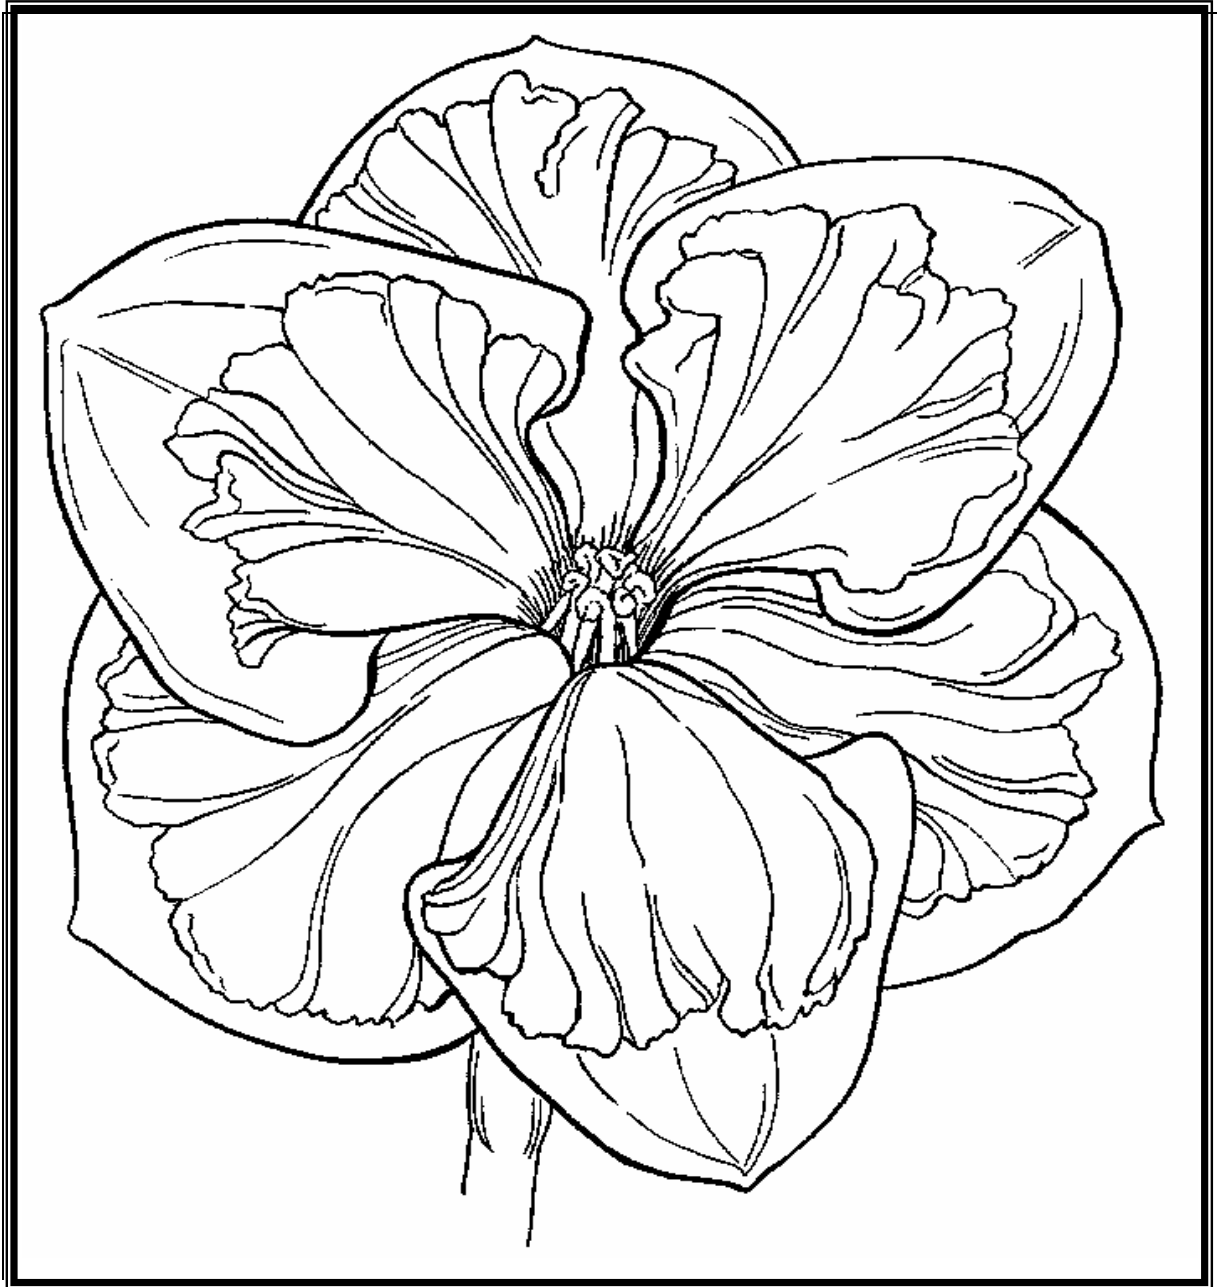

# Division 10: Bulbocodium Daffodils

© Southwest Ohio Daffodil Society

Daffodils in the "hoop petticoat" form display large cups and tiny petals. Each stem usually carries one flower.

# Division 11: Split-Corona Daffodils

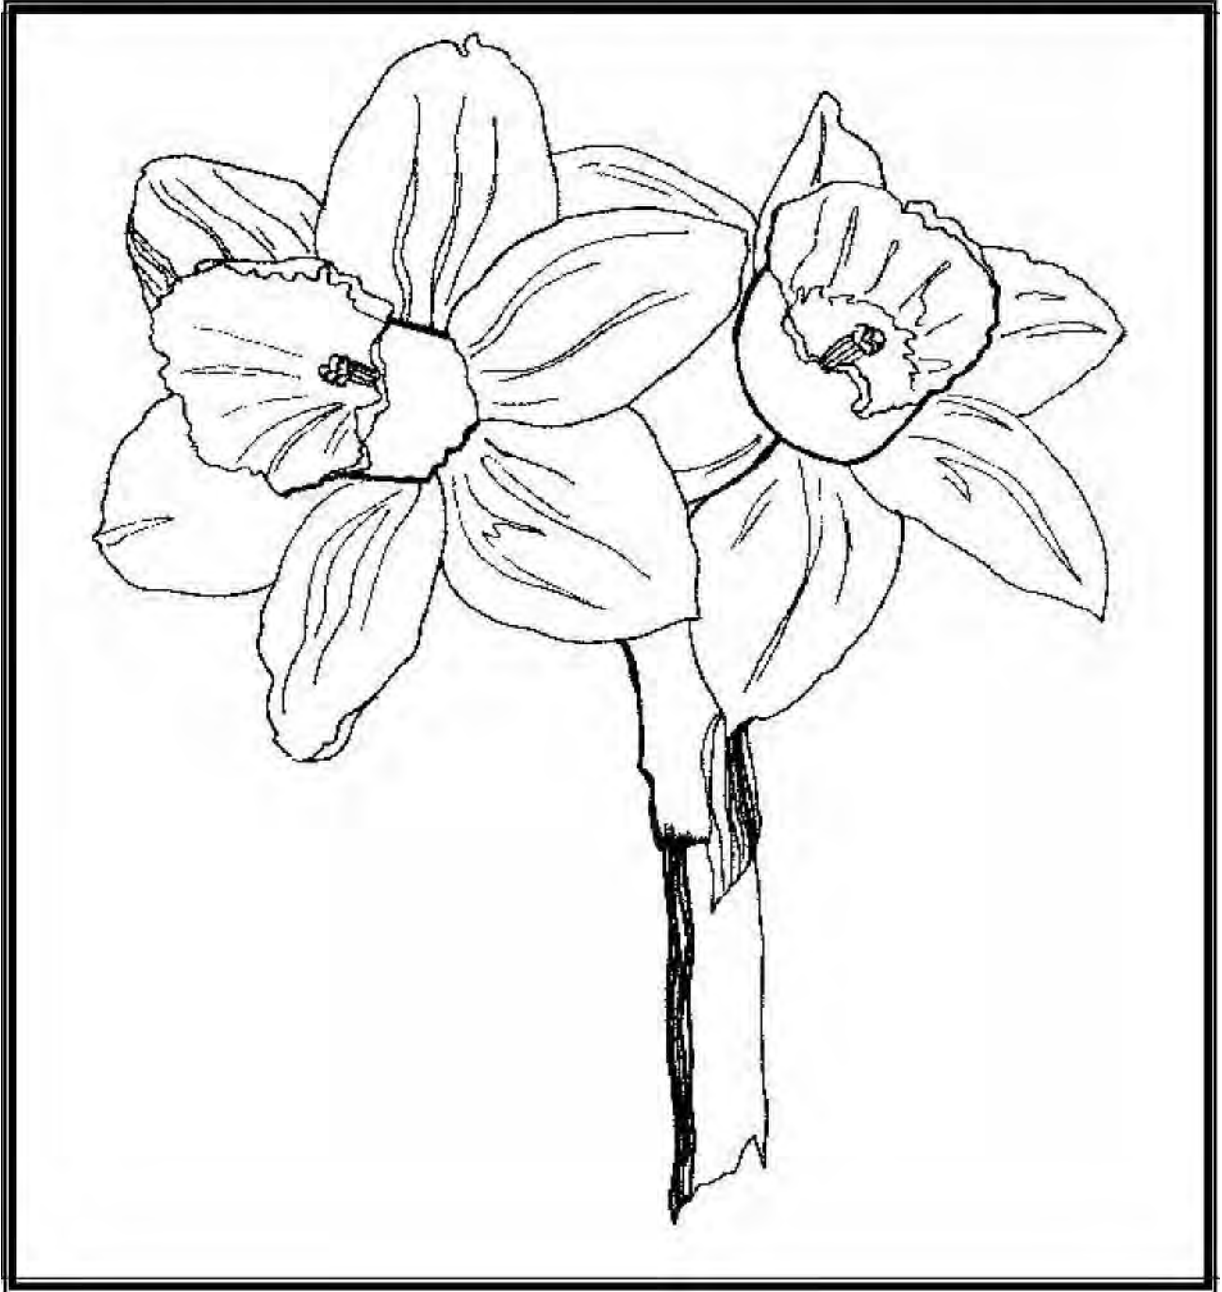

© Southwest Ohio Daffodil Society

A split-corona daffodil has a cup  
split usually for more than half of its length.

**American Daffodil Society Coloring Page**

# Division 12: Other Daffodils

© Southwest Ohio Daffodil Society

These unique daffodils **do not** fit in the first 11 divisions.

**American Daffodil Society Coloring Page**

# Division 13: Species Daffodils

© Southwest Ohio Daffodil Society

Species daffodils are wild daffodils  
identified only by their botanical name.
